**Is there anything specific that can be improved upon?**

had everything down to a science. :)

**Additional comments or suggestions?**

was flexible, helpful, took initiative, gave space when warranted, was hilarious (a plus), joyful, and made not only me, the bride, feel great and comfortable, but she made everyone else feel good too. She was WONDERFUL from beginning to end. If I ever need a videographer again, no doubt she will be my first call.
